

Rolling Out The Red Carpet

We were fortunate to have a professional photographer on site for our Annual Volunteer Appreciation Dinner on Tuesday, May 7. The pictures are lovely and I will be sending them your way soon. You are welcome to share them with friends or family. Printed copies maybe purchased from Kyle Rodriguez. Kyle's website with contact information is www.artifactsforlife.com

New and Refresher Training

Stay tuned for new and refresher training coming September 2019. These sessions will be to introduce new procedures as well as offer refreshers. More details will be announced as the sessions are finalized.

Mandatory Coat Check Training

Starting Fall 2019, all new volunteers must take the Coat Check training and volunteer in the coat check. This area is our greatest need throughout the year and brings opportunities to all. Consider adding this to your list of positions.

All fall training dates will be listed in the September V-Notes newsletter.

Liaison Committee

A big thank you to the 2018-19 liaison committee for all their hard work throughout the year. If you would like to join our team of leaders and helpers, our first meeting is Tuesday August 27. Contact Bonnie for more information.

Member: Top Row: Harriet Hull, Merle Griffin, Ross McKenzie, Maryjane Oussoren

Bottom Row: Sandra Mackay, Marilyn Freure, Maida de Stein

Missing: Judy Kingdon

Summer Volunteer Opportunities

Volunteering fun continues throughout the summer of 2019. The Guelph Museums are having their daily Summer Teas June 25 to September 1 and the Backyard Theatre show "What I Gave, I Have" which dramatizes the life of John McCrae, author of "In Flanders Fields" which runs July 6 to 20 at 7 pm (with matinees on July 13 and 20 at 3 pm). Training session for both is Monday, June 24 at 4 pm at McCrae House on Water Street.

Stay tuned for more information and how to sign up for training and spots throughout the summer months.

We also have the annual John Galt Day celebration at Market Square on Saturday, August 3 from 10 am to 2 pm. We need hosts and children's activity helpers. You can sign up for this shift through Volgistics.

Another Successful Season

We still have a few more weeks of our very successful 2018-19 season and we could not have done it without your continued dedication and commitment. When you sign up for dance recital, you receive first choice to volunteer for the 2019-20 season. For every two dance recitals on your schedule from now until the end of June 2019, you will be able to select one show in advance. Contact Bonnie with your choices.

Parking Update

As most of you may know, the City has improved the parking system in the East and West Parkades. The new parking system is easy to use for River Run Centre volunteers. When you enter either the East or West Parkade (West for weekdays before 6 pm) take a ticket from the machine and place it on your dash. Pick up a "River Run Centre Volunteer Parking" coupon from the Front of House staff during your shift. When exiting the Parkade, simply insert the coupon first followed by the ticket you received from the machine.
